

ADIT SHAH

MERN Stack Developer | 2 Years Hands-on Experience

Email: shahadit68@gmail.com | Phone: +91 9265955849 | Location: India

PROFESSIONAL SUMMARY

MERN Stack Developer with 2 years of hands-on experience, specializing in building fast, responsive, and user-centric web applications using React.js and Next.js. Skilled in component-based architecture, efficient state management, and seamless API integration.

WORK EXPERIENCE

MERN Developer - Inheritx Solutions (Apr 2025 - Present)

- Working on industry-level enterprise projects focusing on Next.js, React.js, and TypeScript.
- Developing scalable, high-performance web apps following frontend best practices.
- Engaging in direct client communication and requirement analysis.

MERN Intern - Inheritx Solutions (Dec 2024 - Mar 2025)

- Full-stack MERN development for production tasks and user interfaces.
- Built responsive interfaces using React.js, Tailwind CSS, Node.js, and MongoDB.

FEATURED PROJECTS

1. Charge pilot pro (NextJS, TypeScript, TailwindCSS, Redux)
End-to-end EV charging management platform with role-based auth & real-time monitoring.
2. QC Analytics Portal (ReactJS, TypeScript, TailwindCSS, ZOD, shadcn UI)
Quality control dashboard for tracking product quality metrics & generating PDF/CSV reports.
3. KoraVision (NextJS, ReactJS, TypeScript, TailwindCSS, WebSockets, Firebase, Canvas API)
Football scouting platform with real-time chat, video trimmer, and RTL multilingual support.
